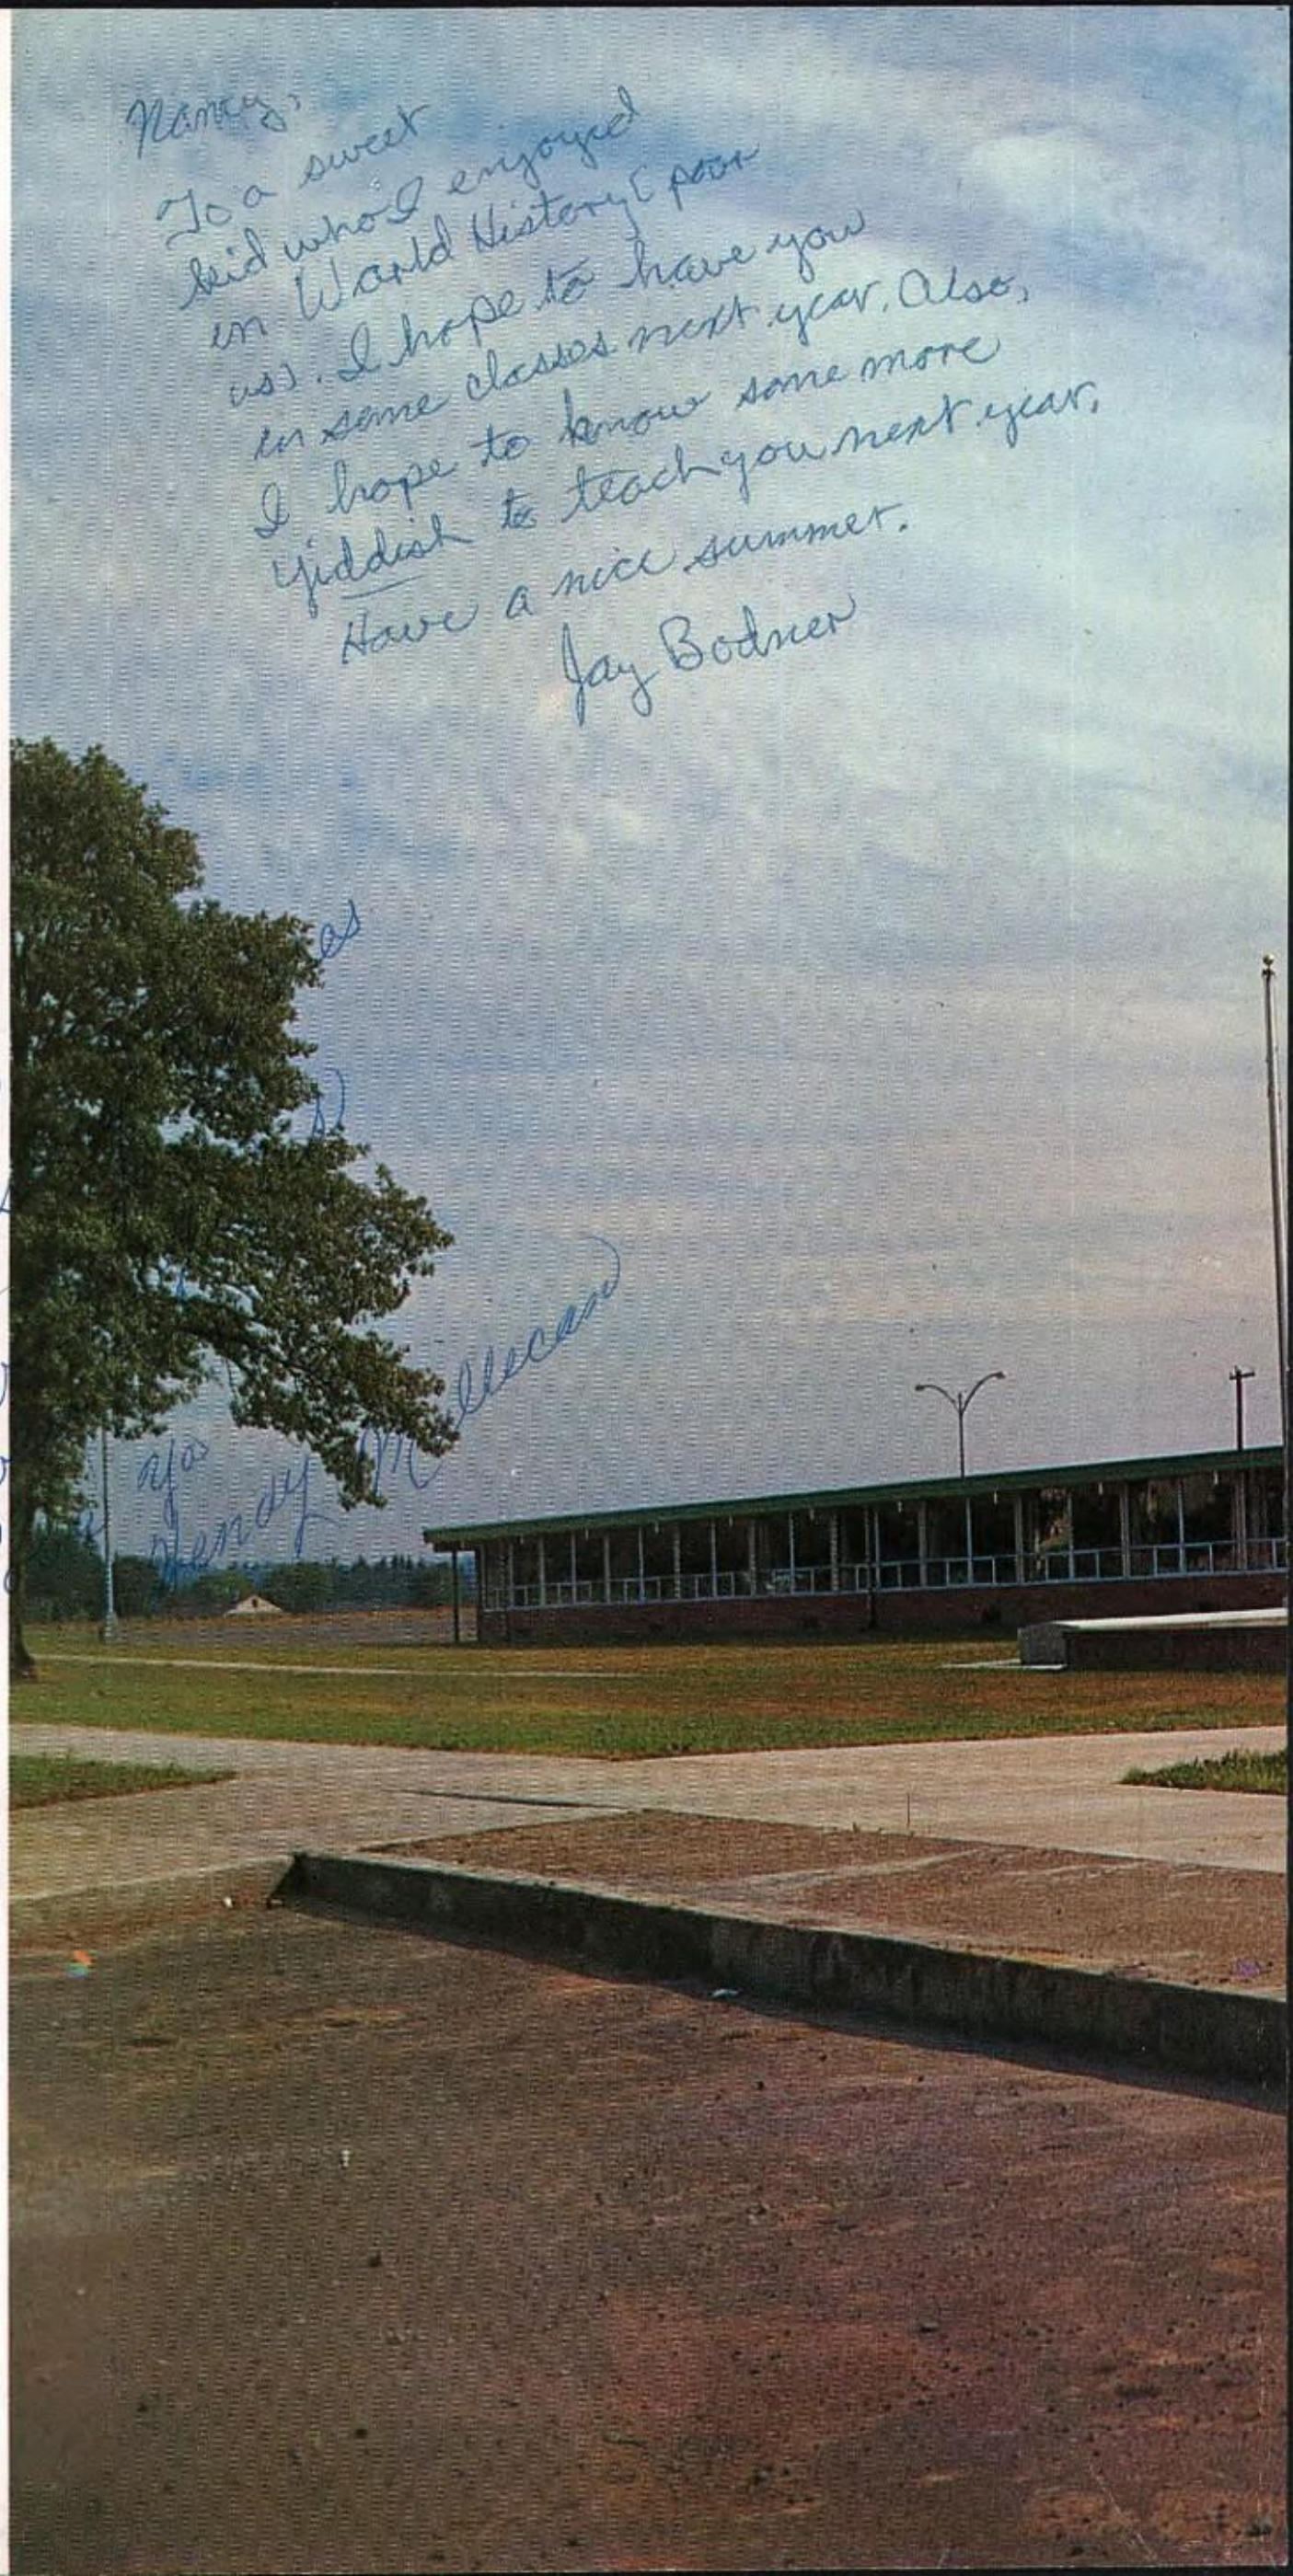
Sunset High School, for the first time since its construction was started in 1958, saw the full completion of this beautiful and modernistic building this year. An addition of a swimming pool and tennis courts seemed to present a more finished look besides the final landscaping of the patios.

It is here where 1300 students endeavored to mature their minds and mold themselves into responsible young men and women who will someday lead our country.



Nancy,
I've really enjoyed getting to know you this year!! You are a real sweet girl!!

The "Olympus" float, entered by the Cedar Hills Merchants Association, received honorable mention in the 1960 Portland Rose Festival Parade. Sunset students chosen to ride the float were: Dennis Landers, Dennis Ingram, John Mundigal, and Dan Maust. Hidden from the camera's eye was Bart Bobbitt.

New Traditions and Achievements Established During Eventful Year

Among the many achievements attained by Sunset during the year 1960-61, the most outstanding were the "Olympus" float, entered by the Cedar Hills Merchants Association, and the Apollo band, entrants in the 1960 Portland Rose Festival Parade. Although this was the first time for both entries, Sunset's band received the first place trophy for being top band in the parade; the float received honorable mention.

During the summer months, Keri Kaa, Sunset's first A.F.S. exchange student from New Zealand, left her homeland, bound for New York. At the same time, Kathy Mehl left Oregon on her way to Torino, Italy, to act as Sunset's A.F.S. exchange student.

One of the more prominent firsts that were to occur was the addition of a senior class, enabling Sunset to have its first graduation. With much anticipation the senior class worked diligently through the year, making plans for their last activities as a class--such as the Senior Tree Planting expedition and Baccalaureate--and for their final Commencement exercises. These events truly made this a year to be remembered . . . another year representing many new additions to traditions and achievements established at Sunset High School.

"Apollo" Dedicated to First AFS Student from Abroad, Keri Kaa

A bright smile and a pleasant personality were assets which helped Keri Ngapera Kaa, our first foreign exchange student from abroad, find a lasting place in the hearts of the students at Sunset High School.

After a long trip from her home in New Zealand to New York, she arrived in Oregon in late September. She was met not only by her American family, the Cottrells, but also by a group of Sunset students who took her to her first football game.

Keri adjusted readily to her new enviroment, and she immediately began to participate in various Sunset activities. These activities included A Cappella Choir, Madrigals, A.F.S. Committee, Girls' League, and International Relations League. Keri's excellent voice enabled her to be one of the soloists in the Christmas concert. Her dramatic talents were also brought out, as she helped the drama department with the production of "Pygmalion."

Keri's keen sense of humor and cheerful greetings never failed to promote a friendly atmosphere wherever she went. Even on short notice she was willing to demonstrate her pois or sing a song from her native country.

Although her school activities keep her quite busy, Keri is a member of the Bethel Congregational Church choir. She also finds time in her busy schedule to make many speeches before community groups and various other high schools. These activities have truly made Keri's year in America and at Sunset High School both a busy and a pleasant one.

Keri's outstanding characteristics and participation in school, church, and community activities have merited her the honor of receiving the dedication of the '61 APOLLO.

Keri and Kathy Pennington express their happiness as the Apollos score a touchdown against the Beaverton Beavers.

A demonstration of twirling "pois" is presented to the student body during a assembly.

The Cottrell sisters and Keri stop to admire their horse after a busy day at school.

A football mum is graciously accepted by Keri.

As you can well see, students are not encouraged to park in the teachers' lot.

Active Seniors Show Interest

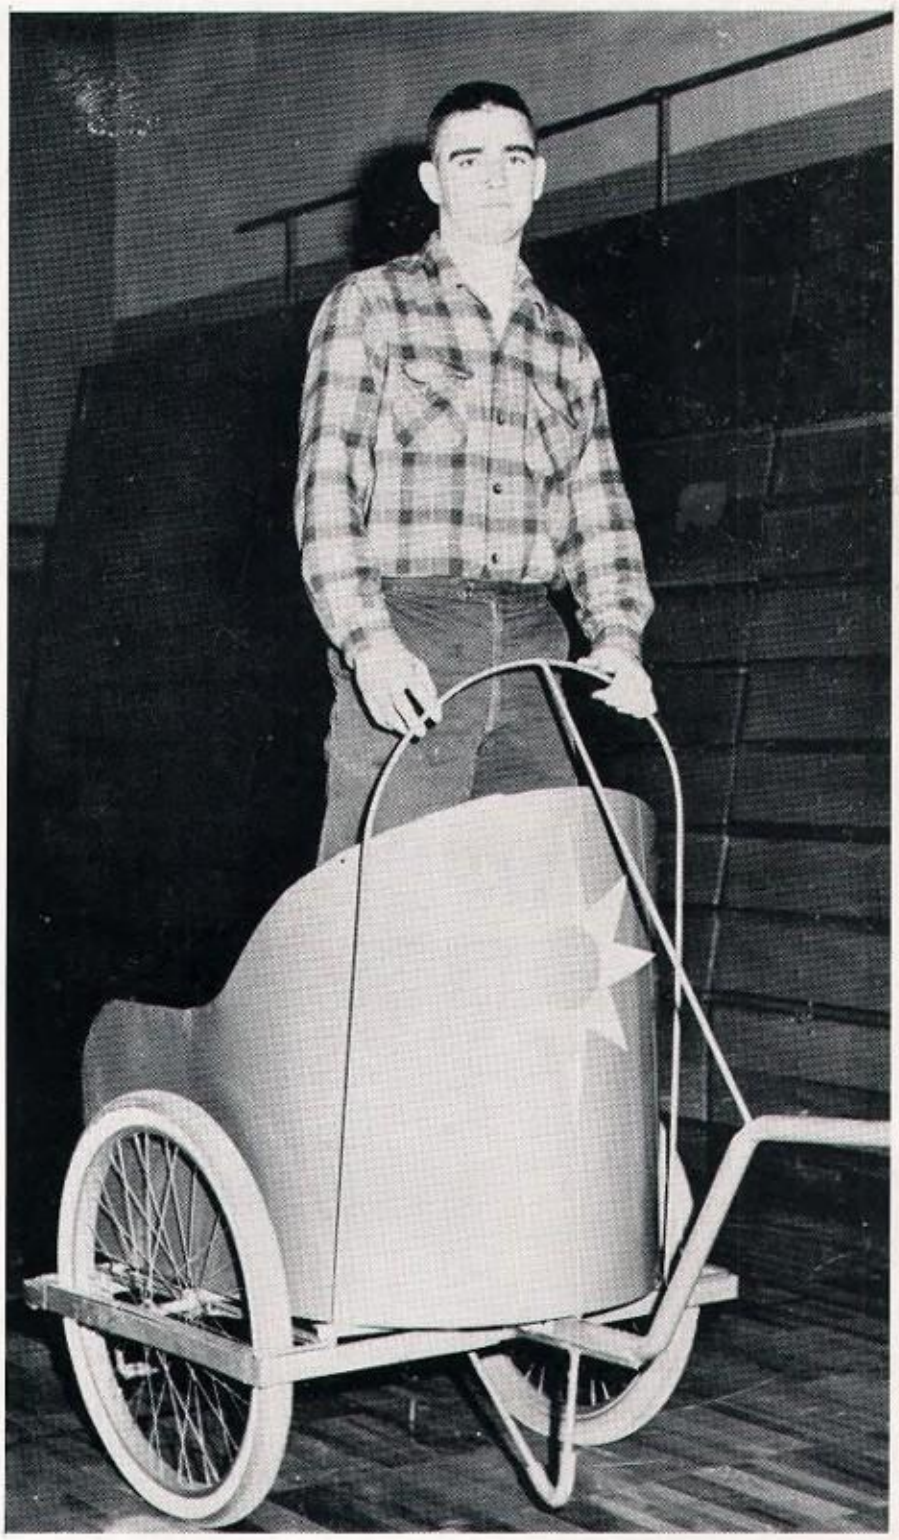
One of the many traditions set by the seniors was the tree planting trip to the Tillamook Burn area. Mr. Knispel's second period American Problems class originated the idea of reforesting the Burn area, and committees thus formed to plan the trip to the coast.

Techniques are being demonstrated by seniors and advisor for planned tree planting expedition.

Platoons were formed by many seniors to help weigh and pack the thousands of pounds of clothing for the Save the Children Federation.

in Participating in Varied Programs

In order to beat the Beaverton Beavers in the clothing drive, Seniors formed platoons and went out to gather clothing. Luck was with the Apollos as they "skunked" the Beavers with 23,000 pounds to their 18,000 pounds.



Senior class President, Wes Brown, represents winning class in competition between classes at one of the pep assemblies. The losing presidents must pull the victor around the gym in the Apollo Chariot.

Nancy —
Well, I finally found a place to write your comment. It took a while but I did. It has been fun getting to you this year even if it was in the presence (?) of Mr. Mendonhall. I suppose you guys aren't too bad but we still have authority over you as will be upperclassmen next year. You told me to hurry so I'd better go. But it really has been fun getting to you and your jokes better. Good luck and have a neat summer.

Traditions Firmly Implanted with Leadership of First Term Officers

Under the leadership of the first term council members, the student body gained many precedents. One of these was the dedication of the chariot. This project was undertaken for the purpose of promoting pep and enthusiasm at assemblies. The most rewarding of the many undertakings was the March of Dimes Drive. The student body rallied to the aid of the Cabinet and had a grand total of seven hundred dollars topping all other schools in the state.

Another feat which added to the success of the first cabinet was the defeating of Beaverton in the clothing drive. Individual participation was achieved with a total of twenty-three thousand six hundred and eighty-three pounds to the Beaver total of eighteen thousand. Each Apollo averaged twenty pounds which surpassed the average at Beaverton.

Second Term Leaders Effectively Carry Out Student Body Government

The main objective of the second term officers was to have more students participating in the workings of student government. This was done by employing several students to serve on the Assembly Evaluation Committee. The committee reviewed all skits for assembly programs, then passed them or suggested improvements for the betterment of the program.

To add to the activities of the second term cabinet was the Slave Bond Drive. The bond drive is a program to raise money for the American Field Service activities. The cabinet also attended a Region III conference. The purpose of this conference is for the student leaders to gain an understanding of the meaning of student government.

Girls' League Officers and Cabinet Kept Busy by Full Schedule of Activities

The first major project sponsored by Girls' League was the food drive. This food was collected on a class competition basis and was delivered to the Old Folks Home in Hillsboro at the completion of the drive. The seniors won first place in the project.

In December, they sponsored the annual Christmas Formal for all students. The theme this year was "Winter Mist." All reports indicated this to be a great success.

The rest of the year was devoted to planning other projects such as the Father-Daughter Banquet and the Mother-Daughter Tea.

Judy Clark lead the League in all these activities and was assisted by the other officers and members of the cabinet.

Members of the Cabinet are, from left to right: Susan Egan, Kay Sonnenberg, Kit Chase, Bonni Weed, Vicki Lewis, Elaine Findley, Nancy Nelson, Linda Hammack, Judy Templeton.

Fall Awards Banquet Successful Under Direction of Boys' League Officers

Under the leadership of Dan Maust, the Boys' League got off to an early and successful start by selling the ever-popular booster buttons.

To take the place of the awards assemblies, held in past years, they sponsored a Fall Awards Banquet for all athletes earning letters or certificates of participation. Because of the success of this banquet, another one was held in the spring for those athletes participating in baseball, track, and golf.

They also helped to put on Bali Hai with the assistance of Girls' League. This was held in March and proved to be very popular with all who attended.

The Boys' League has one assembly each nine-week grading period. Pictured is one of the speakers, Dr. Harry Dillin. The topic discussed was "High Morals and Standards of Teen Age Boys."

Germania Holds Festmahl to Acquaint New Members with Club Role

The annual La Festdanski, an after-game "Tanz" on Friday the 13th, and an A.F.S. fund raising car wash were among the many activities of Germania. The "Winterfestmahl", with beautiful decorations in true German style was a gala evening of savory food, song, and stunts.

A talk in German by Herr Josef Oswald, a former magazine editor from the Rhein country, also highlighted the banquet.

One of the featured speakers at the regular meetings was Mr. John Groeger, who presented a slide show with German commentary. Altogether, Germania's year, under President Kjell Krane's leadership, was an eventful and fruitful one.

Blue Spruce Tree Dedicated to Sunset by Francamis Members

Members of Francamis carry out plans to plant a new Blue Spruce tree to replace the old Apple tree which was removed.

The French Club is one of the largest language clubs at Sunset. One of the highlights of the year was the annual Francamis banquet. At this time the new officers were installed by the old. The yearly La Festdanski dance was a success due to the combined efforts of the language department. Each language club had a candidate for Apollo. The winner is crowned by a girl representative from the club.

Their annual initiation banquet was held on February 14. Entertainment was provided by members of the club.

This year, the Decurions helped put on the La Festdanski along with a variety of other activities. Mrs. Abbot, World History and English teacher, spoke to the Latin club on some of her trips to Italy. Kathy Mehl also talked to the club on some of her experiences in Torino, Italy. One of the social activities of the Decurions was an ice skating venture to the Lloyd Center.

Thespians and Forensic Members Bring

An organization which encourages students to participate in speech activities is Sunset's National Forensic Squad. As the result of the fine coaching job by Mr. Ray Harshfield, many trophies and certificates were awarded to the Squad. Senior Lynda Laufer placed second in Women's Serious Interpretation and received a $100 scholarship from the University of Portland, while junior Marsha Moore brought home a third place in Humorous Interpretation from the Metro League Tournament.

In order for the Forensic Squad to retain its charter, its members must achieve 500 points each year. Thus, the Squad participated in many tournaments and other speech activities to maintain these points.

Planning the agenda for the next Thespian meeting are: Del Pearson, Points Keeper; Jerry Babcock, President; Lynda Laufer, Vice-President; Carol Vernon, Treasurer; Tom Smock, Secretary.

Many Honors to Sunset

As a highlight of the year, twenty-five National Thespian Society members attended the annual Thespian conference, held on the University of Oregon campus. While there, they attended many workshop sessions, concerned with the art of producing a play.

Those students who have received ten points, for working on different projects and in plays, were admitted into the Society.

On December 5, troop 2009 sponsored a play festival, to which three other schools were invited to put on a one-act play for critical analysis. The climax of the year was the Purple Masque Banquet, which was held during the last part of May. All members attended this banquet, where food and awards were plentiful.

Because of their outstanding ability and talent, they were chosen to appear at the Music Teacher's Convention in Spokane during the weekend of March 17 and 18. This was quite an honor for them as they were in competition with 200 other high schools from six states. There were only two other high schools from Oregon represented at the convention.

Sunset Lettermen Receive Deserving Honors at Annual Awards Banquets

The Lettermen's Club participated in many activities this year. When something needed to be done, a call was sent out to the Lettermen, who arrived ready and willing. They were on the scene selling tickets at basketball and football games and at wrestling matches. During the Clothing Drive they were present to help sack the many tons of clothes. At the Music Concerts the Lettermen were ushers. As a result of their willingness they were honored at three Awards Banquets sponsored by various organizations. Nancy,

Well, we made it through our first year at Sunset didn't we. (Miracles still happen)

Isn't it too bad we won't have Mrs. Abbott anymore? I'm not to get too upset.

I realize we have always kidded each other, but for a minute I want to be serious. I have really enjoyed going to school with you, and also having you on some of my classes. (They would have been terribly dull without you)

What if we get Mr. Mendenhal next year?

Maybe you can drive

Have a real blast this summer. You are a real doll

Luck always,

Dee

Apollos Capture Fourth Place in Metro Debut with 6-3 Record

Sunset's Varsity football team, under the careful guidance of coaches Gene Miner and Al Davidson, captured fourth place in the Metro league in their Varsity debut. The Apollos wound up with a record of six wins and three losses. They outscored their opponents 168 to 93 for an average game score of 18.5 to 10.3.

Coach Davidson was in charge of the line. Although he was dealing with the lightest team in the league, he groomed the boys into a fast and rugged group, which stopped many a fast back in his tracks. He came to Sunset two years ago from Hillsboro and all those who have had him as a coach realize his great ability.

Coach Gene Miner, besides being the head coach of the Apollos, also was the backfield coach. He was faced with the task of developing an offense to go with his small team against larger opponents. The season's record testifies to the great job that he did.

Both of these fine coaches will be back at Sunset next year. They will have a large portion of this year's team returning plus some very fine JV players from this year's JV team which took first place in Metro.

Apollo Gridders Reverse Pre-Season Predictions of Poor Year

Sunset's first game was auspicious as the Apollos dropped a hard-fought game to Hillsboro 13-6. Dan Maust, hard driving fullback, scored the first T.D. for Sunset as he piled over from the two yard line.

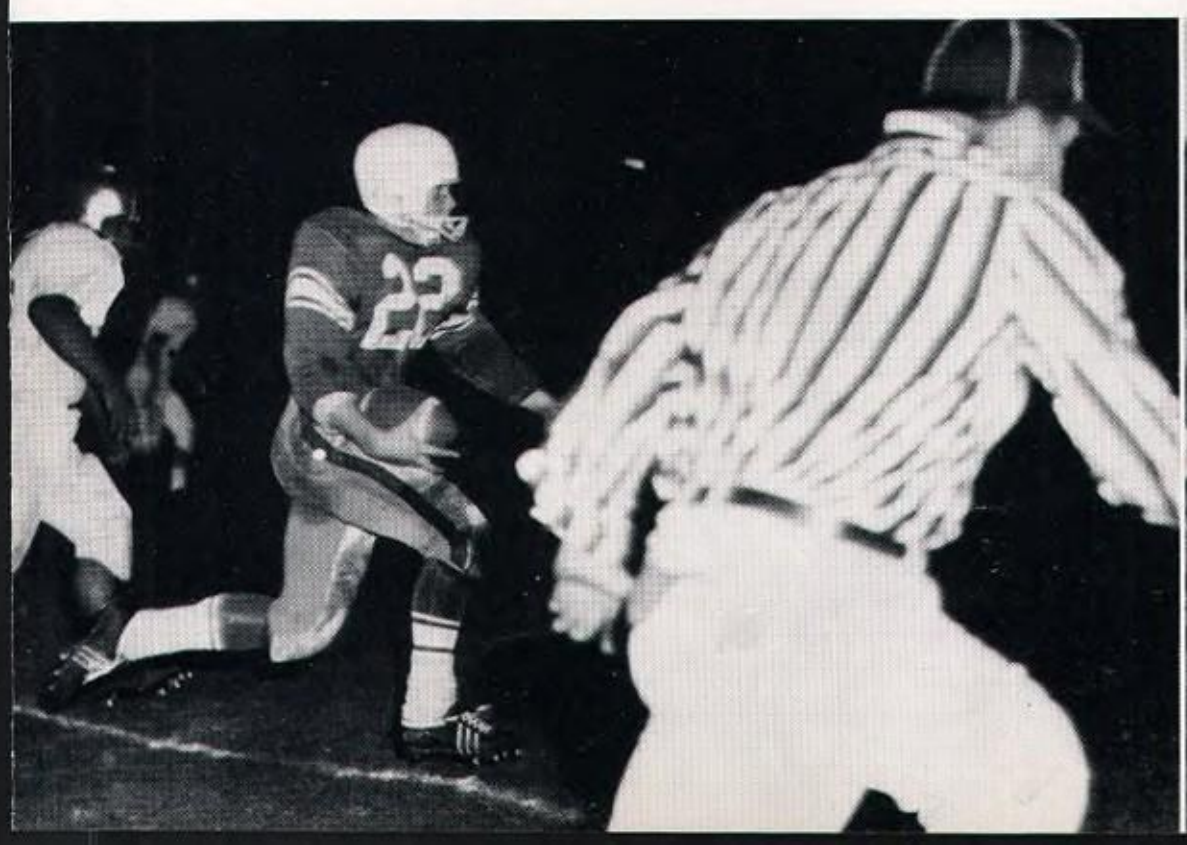
Larry Binkerd, Spartan fullback and Ron Wolf, halfback, proved to be the Apollos' nemesis as they scored the winning touchdowns.

Not to be dismayed at their opening loss, the Apollos roared back to blank the Astoria Fishermen 19-0 at Beaverton in a tremendous display of defensive football. Sunset made their own breaks as they blocked three of Astoria's punts and held the swift backs from gaining any running room.

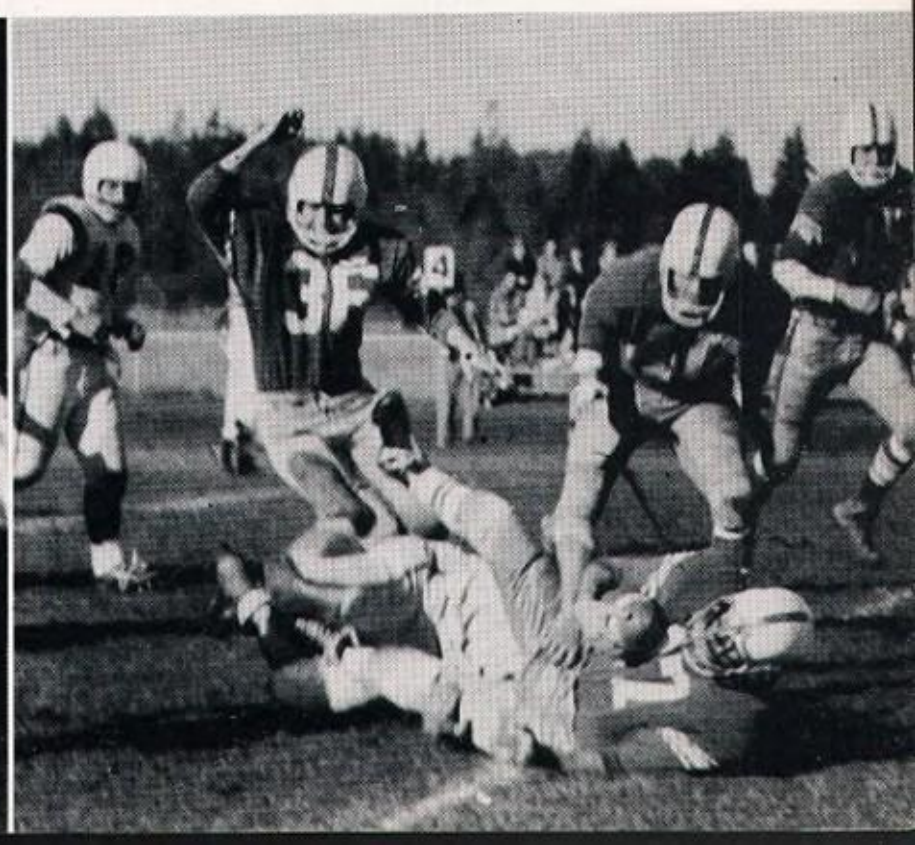
In the game against the Gresham Gophers, the Apollos displayed, along with their 19-6 victory, their new uniforms. The Apollos donned gold pants with purple stripes and purple jerseys and broke them in with a hard fought game against the stubborn Gophers.

The fourth game of the season proved to be it's highlight. Sunset went up against highly touted Beaverton and few visualized a victory for the Apollos. But the game told a different story. Sunset outbattled the larger Beavers and not only defeated them, but also shut them out.

Launie Carlin flashes away on a long gain against Milwaukie in the Apollos' 21-14 victory. Vainly pursuing Carlin is John Waterbury.



Harold Bayley (36), Ron Stassens (40), and Dick Stroud (45) rush to aid tackled Launie Carlin against Clackamas.



Apollos Defeat Beaverton Varsity in Annual "Civil War" Battle, 19-0

Dan Maust, hard running fullback for the Apollos, sweeps left end for a good gain against the Beaverton Beavers. Moving in on Maust are Dan Clouser (20), Larry Kelly (25), and Gordon Vrlicak (51).

The Beaverton game was played before a crowd which filled both sides of the Beaverton field. The Apollos opened the game with rugged play and ended it with the same. Time and time again Sunset dug into half the Beavers on their march to the goal. The Apollos scored in the second, third, and fourth quarters, while a tremendous effort by the defensive team held the speedy Beaver backs in check.

The Apollos' next game brought them up against Centennial, also making their debut. The Eagles, although they had only won one game to date, had to be reckoned with. Larry Burgess, Eagle fullback, was one of the league's leading scorers. The Apollos, however, swept by the Eagles with a lopsided score of 32-12. Again the Sunset defensive squad had to be credited with a tremendous game as they held Burgess to only one T.D. This left the Apollos with a record of 4-1 with half of the season gone, and tied for first.

The Rams of Central Catholic were the next opponents for the Apollos. The Rams, along with David Douglas and Sunset, were in a three-way tie for first place in the Metro League. In a closely played game, the Rams won 7-6, on a pass interception in the second quarter. Sunset out-played the Rams throughout the entire game, but could not punch over the winning score.

Four Apollos combine to put the stopper on a Beaverton runner. Making the tackle were Steve Thomson and Dennis Landers. Coming up to help are Pat Mulligan (30) and Ron Stassens (40).

Dennis Ingram, Apollo fullback, breaks through the line against Clackamas to score. Ingram, one of Sunset's Co-Captains, was a workhorse for the Apollos throughout the year. Sunset routed the Cavaliers 40-13.

Sunset's Rugged Defense Ranks Second Place in Metro League

Sunset's next meeting brought them up against the David Douglas Scots, destined to be state champions. The Scots combined hard running with passing to sweep by the Apollos 28-12. The Apollos rallied in the last quarter for two T.D.'s to avoid a shutout.

Sunset closed out the season with two wins over Milwaukie area schools. The Apollos dumped Milwaukie, 21-14, in a game that saw both excellent offense and rugged defense. Sunset held the league's leading scorer, Andy Bergis, to only one T.D. Clackamas also fell at the hands of the rugged Apollos. The afternoon sun added to the high spirits of spectators as the Apollo machine mowed the Cavaliers down with a score of 40-13.

Apollo linemen begin to open up a hole for a back in the Clackamas game. Rugged blocking was common for the Apollos throughout the year.

Apollo Junior Varsity Captures Second Consecutive Metro Title

The Apollo JV's swept through the season, losing only one game and it only by one point. By this performance, the JV's captured the Metro League title. Outstanding players were David Hess, Fred Daum, and Corky Saltmarsh.

Sunset's Varsity team can expect to have a great deal of support and talent next year, largely through the efforts of Coaches Ed Ramsdell and Larry Walker.

Freshman Gridironers Begin High School Football Experience

Sunset's freshman team was coached by Ron Haworth and John Crew. It was up to these individuals to instruct the team in the basic fundamentals of blocking and tackling and of the importance of team play. Although the squad was quite small, the boys showed a great deal of enthusiasm and desire, and several of the boys showed signs of being Varsity material next season.

Although the team only won one game, it proved to be the right one to win. Both the A and the B squad dumped the respective Beaverton squads to give Sunset a clean sweep over the Beavers on all levels, Varsity, JV and Freshman. The A squad won 19-7, and the B squad took their game, 17-0. The B squad also dumped the Milwaukie B squad 13-6. Coach Haworth was in charge of the A team and Coach Crew headed the B squad.

Harriers Show Great Improvement Over Last Year, Place Fifth at District

Sunset's Cross-Country team just missed a chance to go to the State Meet as they finished fifth in the District Meet. However, Sunset's JV Cross-Country team qualified for the JV section of the State Meet. Sophomore Jim Herrall did very well as he finished third in a field of over a hundred. Also placing in the event was Sophomore Allan Amos. For his third place finish, Herrall was awarded a medal of accomplishment.

The Varsity squad captured one first place in the season, as they defeated Central Catholic in a dual meet on the Apollo course. However, since most of the meets were three-way meets, the team did much better than the record indicates, placing second in most of the meets they were in. Winning letters in Varsity competition were John Ferguson, Kjell Krane, Pat Cassidy, Steve Pettit, George Little, Jerry Harpster, Len Downs, and Manager Bob Cravens.

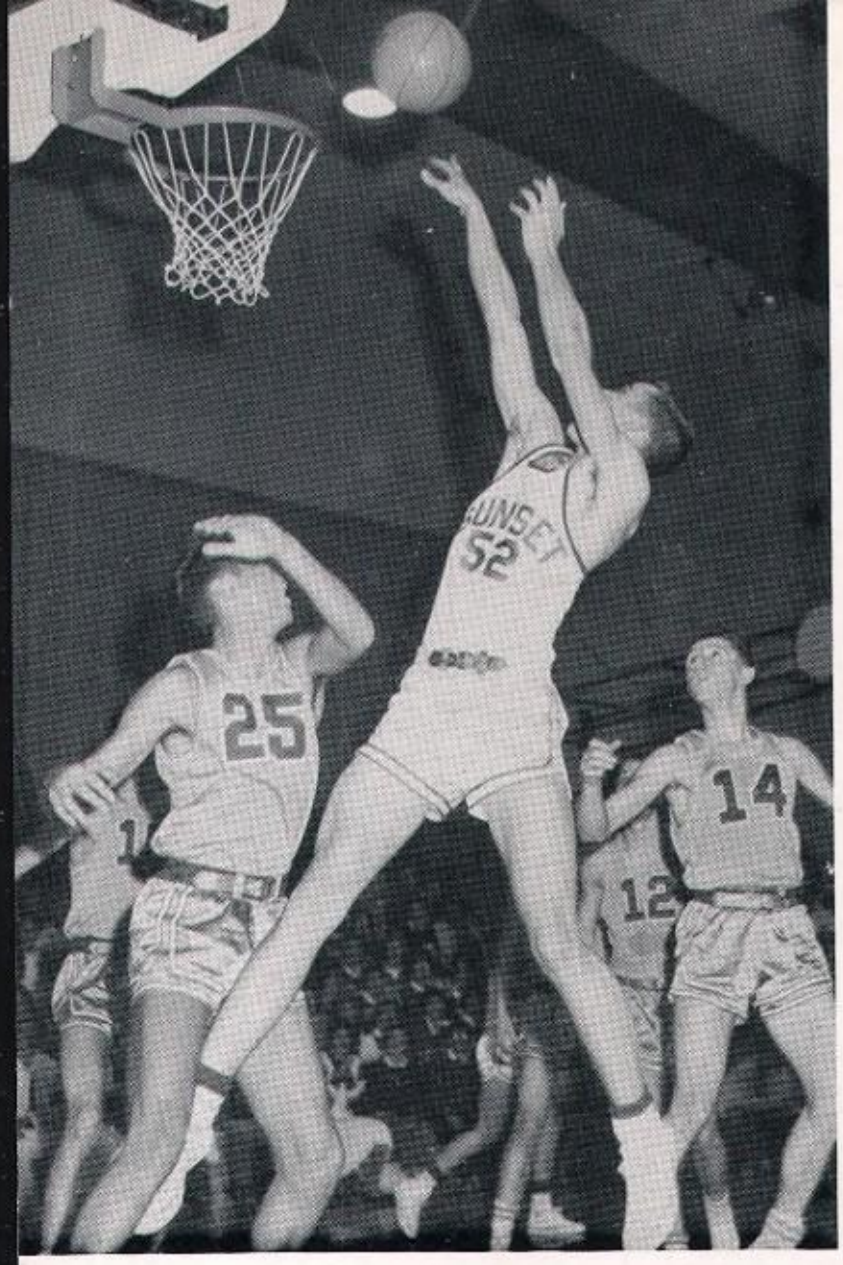
Apollos Wind Up Second Year of Varsity Competition in Metro

Sunset's Varsity Basketball team wound up their second year in Metro League with a record of 4 wins and 14 losses, placing them in eighth place behind Hillsboro and ahead of Centennial and Gresham. The Apollos did very well in pre-season action with a record of 2-2. Sunset opened with Hudson's Bay who defeated them 47-36. The Apollos came back to beat Fort Vancouver 55-52 for Sunset's first Varsity win in their history.

In one of the best games of the year, Sunset nearly defeated the touted Saxons of South Salem, losing only by one point, 60-59. They closed out the pre-season games by defeating Parkrose 62-52. The Apollos had 211 points scored against them in pre-season as against 212 for Sunset. The average pre-season score was Sunset 53, Opposition 52.8.



Mick Moore (52) goes high in the air to snag a rebound against the South Salem Saxons. The Saxons, ranked in the top ten in the state, were pressed to pull out a 60-59 win over Sunset.

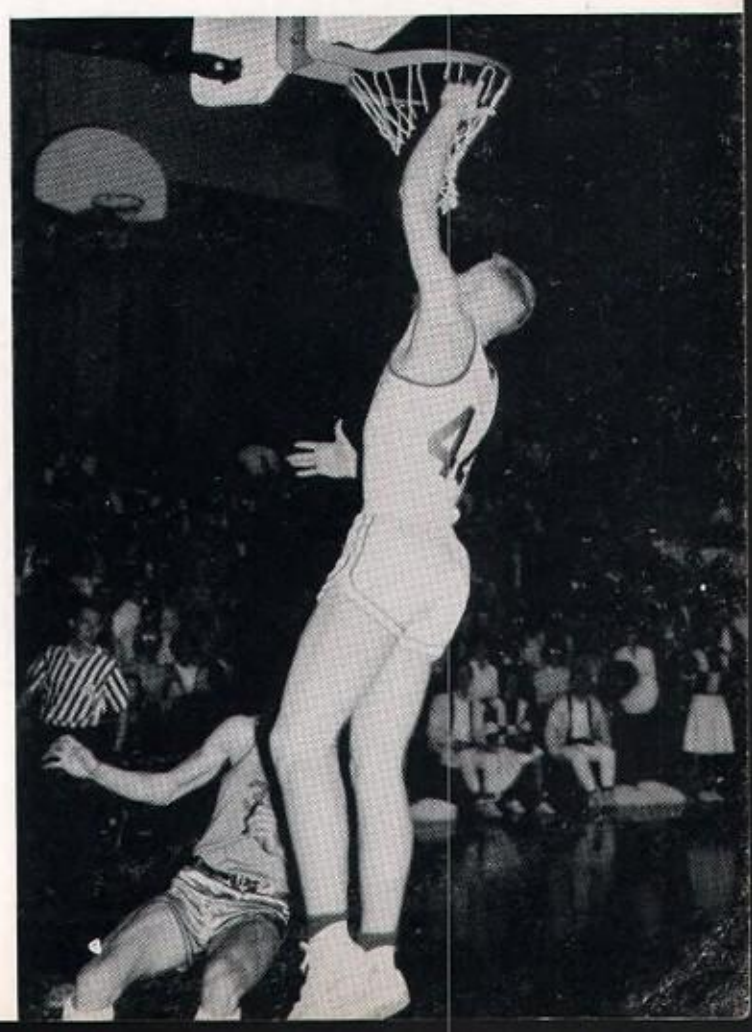
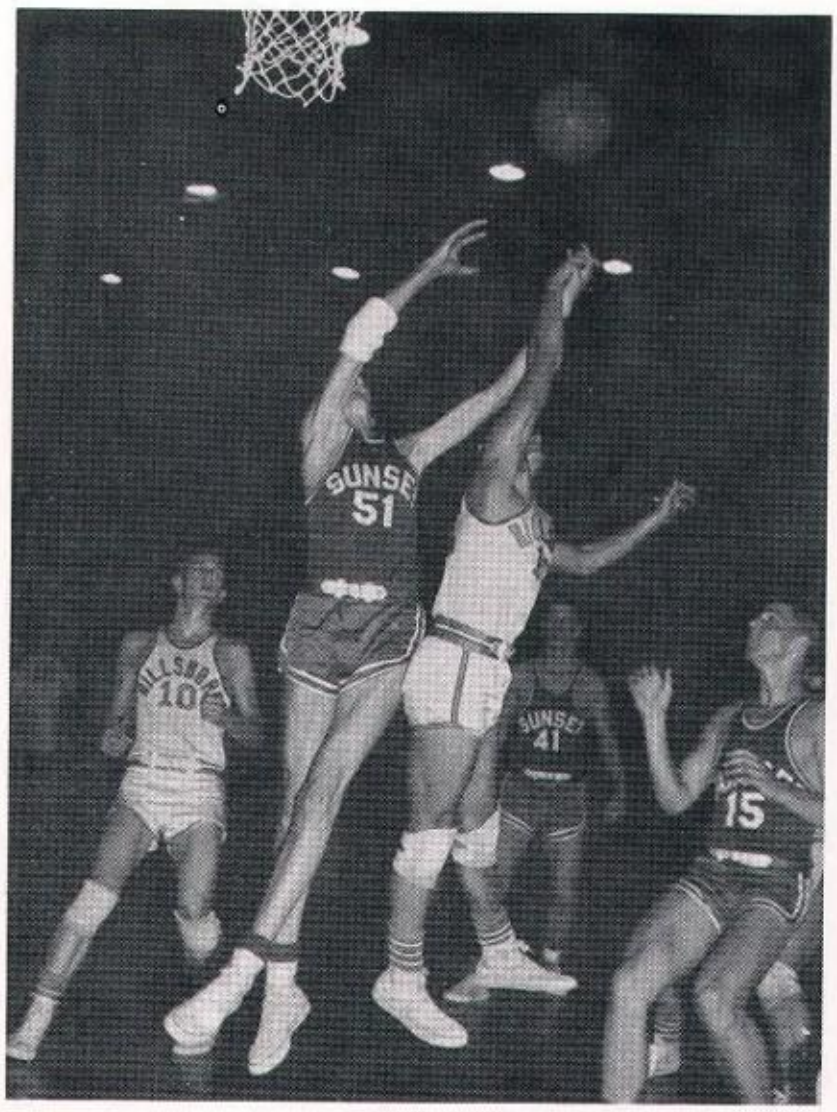
Average Score: Sunset 52.9, Opposition 61.1

With all but four of the team juniors and sophomores, the Varsity should have a very strong squad next year. Through graduation, Sunset will lose the service of Jim Devers, a 6'1" forward, Ron Stassens, 5'10" guard, and Jack Cady, 5'10" guard.

The Apollos score as Mike Campbell drives for a lay-in during a pre-season game at Sunset.



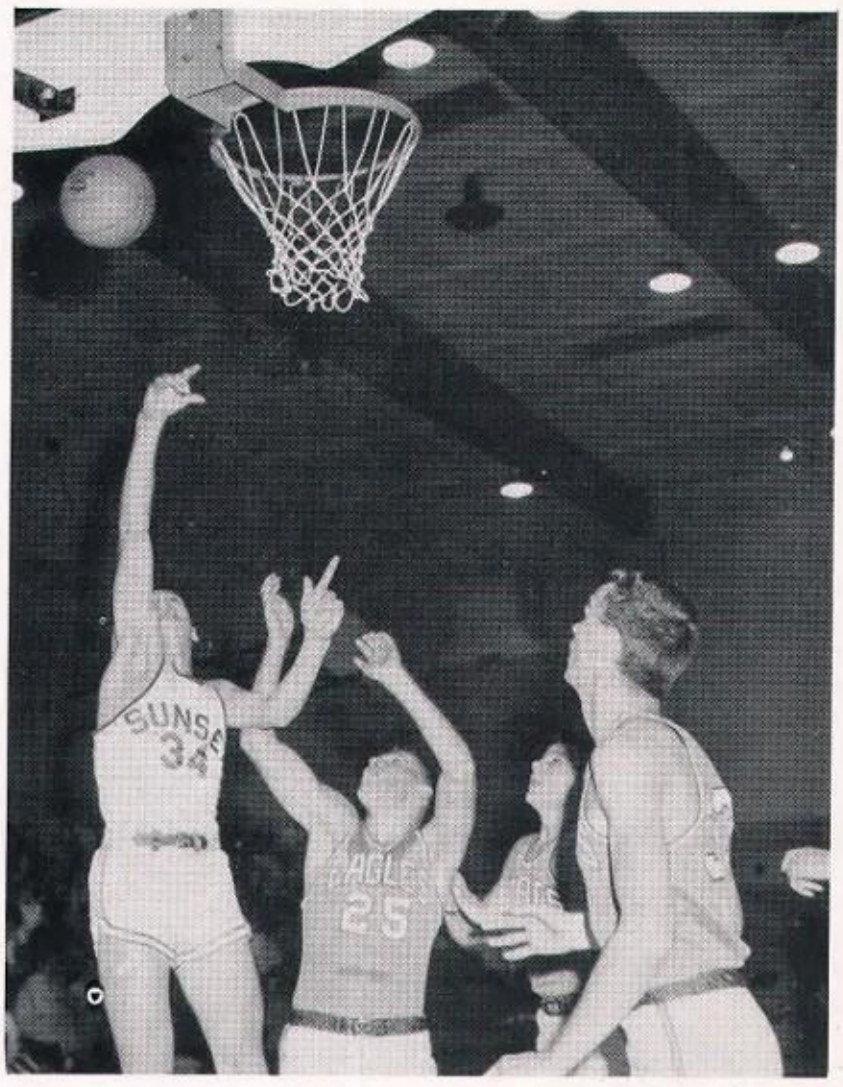


Bob Wollmuth hooks up a shot over the guard of a Hillsboro player in the first game between the two teams.

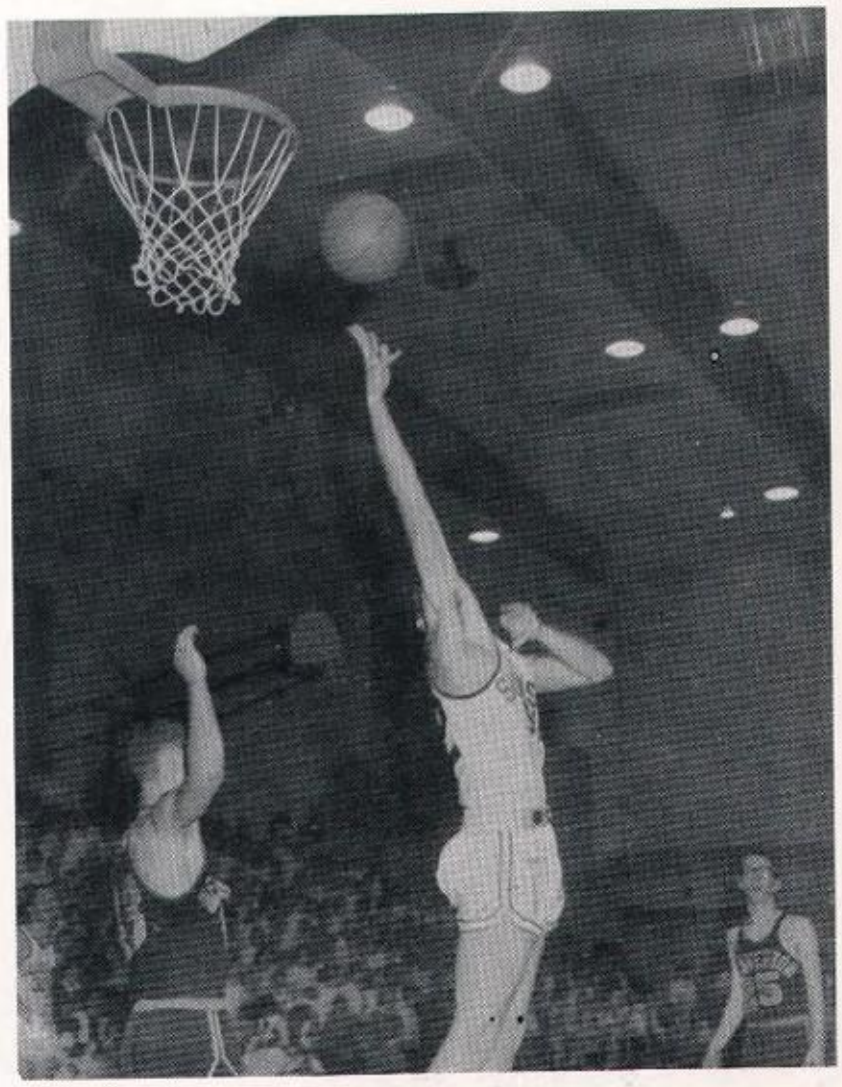
Junior center Bob Wollmuth, who was the tallest man on the squad at 6'6" was also the leading scorer for the Apollos. Wollmuth scored 199 points in Metro League place for an average of 11.1 points per game. This placed him in eleventh place in the league. First place went to Dan Petticord of Clackamas who scored 333 for an 18.5 average.

The four Apollo victories were over Gresham twice, Centennial once, and Hillsboro once. The game between the Spartans and Sunset was definitely the best of the year. Sunset looked like the league champions as they hit the bucket with deadly accuracy and rebounded ruggedly. The loss prevented the Spartans from gaining a first division finish.

Six foot six inch Bob Wollmuth uses his height to drop in a bucket against the Centennial Eagles, who were in their first year of varsity competition.

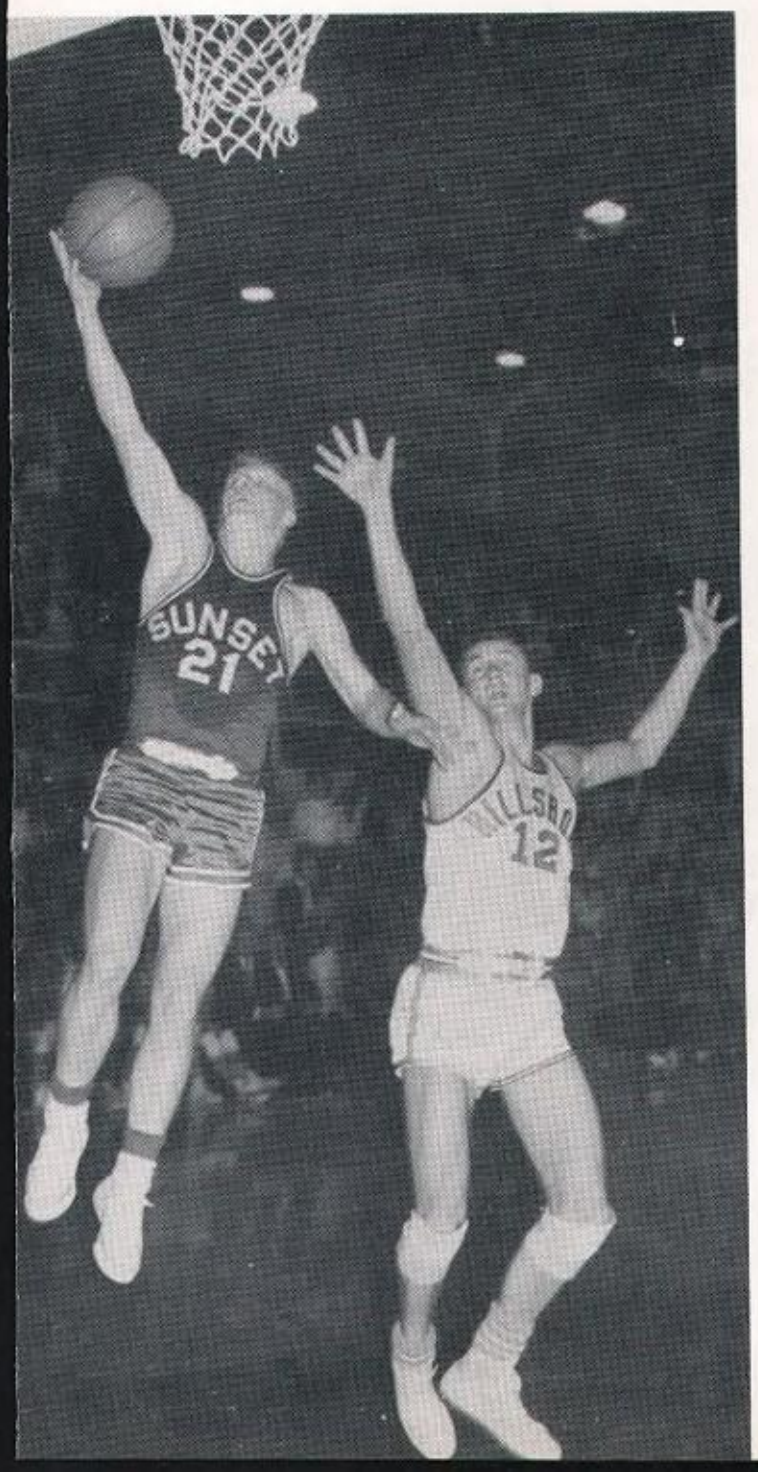


In the annual "Civil War" games with Beaverton, Sunset ran into just too much fire-power, supplied by Don Hakala, the fifth leading scorer in the league and Guy Hale, who was ninth in the scoring race. The Apollos did never give up, however, and at times looked very good against the Beavers.



Mick Moore backhands in a shot against the Beaverton Beavers in the first of this year's "Civil War" battles.

Launie Carlin drives by Larry Binkerd of Hillsboro to score. The Spartans overran the Apollos, however, 63-51.



Jim Devers and Bob Wollmuth both were honored with honorable mention honors in the Metro League All-Star team. First team honors went to Don Hakala and Guy Hale of Beaverton, Rick Whelan of Milwaukie, Dan Petticord of Clackamas, and Larry Barnett of Hillsboro.

Exchange Students Promote Good Will

The A. F. S. Program provided an opportunity for Sunset student Kathy Mehl and New Zealand student Keri Kaa to become acquainted with the customs and people of a land foreign to their own. Students were not only fascinated with the A. F. S. participants, but Kathy and Keri were just as delighted with them.

Kathy Mehl spent five months of her last school year attending a commercial school in Torino, Italy. She resided with the Giacomo Fabris family, and attended school with their seventeen year old daughter, Mirella. Kathy distinctly remembers decreasing fondness for greens for dinner, and was amused at the parties which were held monthly from three to seven in the afternoon.

Bali Hai Enhances Spring Activities

Bali Hai, sponsored yearly by Girls' League, was a highlight of the spring season. Girls made colorful leis for their dates, and couples danced in an island atmosphere. Darwin and the Cupids were an entertainment feature for the dance.

Beaming dancers, attired in traditional leis and spring clothes, display their enjoyment of the dance.

Fun and Frolic Appear Frequently

Rev. McCobb speaks at Easter.

Juniors go back to the roaring twenties.

Our never daunted "Apollo" reigns over assemblies.

Sophomores revive the bongo beat.

Mr. Cavens conducts (a concert?)

"Pom poms, anyone?"

The French Class has a secret.

Tim Jones, Ken Johnson, Steve Coan, and Richard Stevens dismantle the "Kwimper" car before bringing it to the stage for re-assembly.

Backstage supervising production are Mrs. Varner, Drama Coach; Del Pearson, Student Director; Marsha Moore, Production Manager; and Harlene Heath, Business Manager.

"Pioneer, Go Home!" Delights Audiences

"You've got to out-think the government," stated Pop Kwimper, head of the hilarious family that stole the hearts of Sunset students who attended the play "Pioneer, Go Home!" Characters such as Tody, Holly, and Miss Claypoole mixed young romance and uproarious satire to make this a most delightful comedy.

Rehearsals are at times long, but none the less enjoyable for cast members: Bonni Weed, Georgann Hedrick, Hugh Jackson, Jud Blakely, Barbara Ensminger, (sitting) Sue Schumacher, and Kjell Krane. Others not pictured are: Cliff Koch, Tom Smock, Linda Laufer, Carol Vernon, and Terri Schumacher.

Spring Girls of the Month

Spring Girls of the Month were as bright as the spring months themselves. The end of a school year was no time to forget either activities or schoolwork as these girls have shown.

March: Kay Sonnenberg.
Kay, National Honor Society Secretary-Treasurer, has been a leader in many clubs. Among the offices she has held are Reporter for Future Teachers of America and the Senior Class, Spanish Club Secretary, and Ski Club Secretary-Treasurer.

April: Kathy Mehl.
Kathy, as Sunset's first American Field Service student and Girls' State representative has served her school well both at home and abroad. She was also president of Girls' League, a member of Decurions and National Honor Society.

May: Kathy Armstrong.
Kathy's outstanding music ability has won her many honors. She has served as band president, A Cappella vice-president, member of All Northwest Band and the symphony prep orchestra, and as secretary and treasurer of Girls' League.

Spring Activities Bring Busy Year to Successful End

Assemblies, dances, and spring sports brought an eventful year at Sunset to a successful end. In one of the last assemblies, students witnessed the changing over of student government control to the coming school year officers.

The Senior Assembly, Baccalaureate, Senior Banquet, and Commencement marked the completion of high school life for the seniors. However, future jobs and college careers awaited them as they took a big step in their lives.

Dancers at "Memories Are Made of This," sponsored by the National Honor Society, enjoy the fresh air on the patio.

Dances Highlight Spring Activities

APOLLO staff members distribute yearbooks during the Annual Dance.

Students pause to inspect the '61 APOLLO and exchange signatures.

Scholars Honored

Carol Vernon, Purple Masque President, presents Best Thespian Trophy to Jerry Babcock, Lynda Laufer, Kathy Pennington, and Del Pearson, after Mrs. Varner, advisor, has given certificates.

Music Award winners are, left to right, first row: Kathy Armstrong, Betty McRobert, Bev Holmes, Clare Van Buren, Nancie Hoffman, Joy Jewett, Gloria Schlottman, and Syrena Faull. Second row: Skip Westerling, Dick Bline, Skip Lauridsen, Don Whittenberg, Louis Larson, William Barss, and Mike Redman. The Class of 1961, their parents and friends, sing a hymn during Baccalaureate.

The five presidents, which led the "unique" senior class of 1961, are presented with their presidential gavels, representing their terms of service.

The Rev. Walter McGettigan opens the future to the seniors by stressing the responsibilities which must be faced by them.

Seniors listen as Mr. George "Chevalier" Russell tells a story about his trip from "Paree."

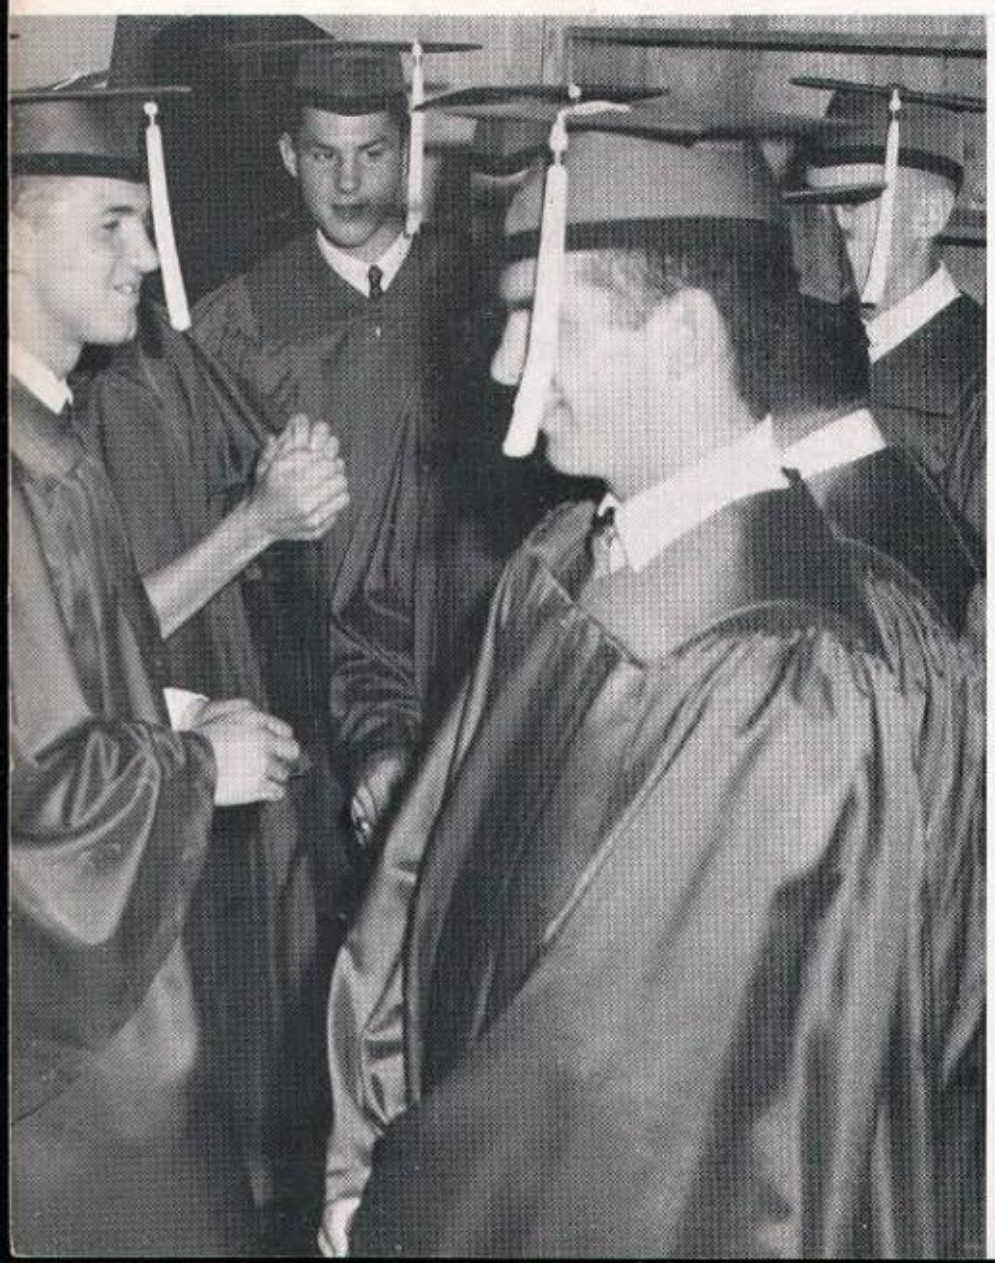
Seniors solemnly march to their seats as the traditional processional, "Pomp and Circumstance," is played.

First Graduating Class Participates in Commencement Exercises

As Baccalaureate and Commencement time drew closer, seniors found that many problems laid ahead of them. Jobs had to be found, and the decision of going to college soon had to be made.

This was both a happy and a sad period for the seniors. Although it had been a long and hard four years, it would be the last time they would see many of their friends again.

But the future looks bright and promising for the first graduating class of Sunset High School. Many opportunities are open to them in the fields of education and business. And they have their graduation theme, "E tipu e rea," to keep in mind while they forge ahead.



Mixed emotions of happiness and anxiety are displayed by seniors before lining up.

The first graduating class of Sunset High School begins a new life after receiving diplomas.

Jeanette Kolstad, '61 APOLLO Editor and Honor Scholar, receives her diploma and congratulations from Dr. Derrol Pennington.

The seniors presented to the school a beautiful tile plaque placed in the floor in front of the trophy case.

Nancy, Science has been a real blast this last nine weeks. I wish you were still sitting behind me, though. I hope you're in more of my classes next year, I can always use your laughs. I wish I could express how much fun you are but the words just won't come. Have fun this summer & lets get together. God bless you,
Linda Hammack

Nancy,
Science would have been as boring as it was if it wasn't for your good sense of humor. Lots of luck to a swell person.
Betty Rae

Nancy,
